

Top Tips For Low Volume & Late Franked Mail

Sending Franked Mail...

If you do not have a Royal Mail collection service, or if your franked mail misses the last post, you will already be aware that franked mail needs to be posted in Post Office Branches, Royal Mail Delivery Offices & Mail Centres and Business Post Boxes.

With Mailcoms late meter / low volume envelopes you can post urgent mail in your designated post box meaning you are not restricted to Royal Mail's collection times.

Benefits of our meter envelopes...

- Each C4 envelope can hold up to 30 items (max 1 envelope per day).
- Perfect for low volume users who do not have a Royal Mail collection service.
- Made from strong 115gsm manila paper.
